1. Push the cut-out shape away from the card and decorate it separately.

2. Trace around the outline of the negative shape so that the outline is on the middle section of the card.

3. Paint and decorate each card using colours to best represent Christmas in Australia.

4. Use Ocaldo Blocks to colour the inside shape, the cardboard shape and the background. Set aside to dry.

5. Decorate with Sequins, Creative Metallic Braid etc. to create uniquely Australian Christmas cards.
