# CUZ

In Aboriginal culture 'cuz' means cousin. It also means someone who is distantly related to you. It could be your cousin's cousin, or cousin's family. Cuz can also be someone who comes from the same place as you. A cuz is someone special who is close to you. Think of your family and friends and all the people who are important to you. They are a cuz to you. Write their names down at the end of the arrows and draw a picture of them.
