

I CAN MAKE A DIFFERENCE!

You *can* make a difference. Each of these boxes describes an action that makes a difference in our world. Colour in the boxes that describe what you have done to make a difference.

Offer to help without being asked	Talk calmly when I am upset or angry	Take turns on the computer	Have a short shower to save water
Tell the truth instead of telling a lie	Be friendly to a teacher or child at school whom I don't know	Say sorry and mean it	Share my games
Include someone other than a friend in a game	Turn off the tap when brushing my teeth	Donate food and/or clothes to people who need them	Respect and listen to someone with different ideas to me
Give a kind compliment	Spend time with an elderly or sick person	Say hello with a smile	Pick up rubbish
Secretly do something kind	Accept an apology	Speak politely even when I don't feel like it	Listen without interrupting
