

## Reading Genres

- Discuss the meaning of genres with your class.
- Take your class to the library. Ask each student to choose a book from one of their favourite genres. Once the book has been read ask the students to swap books with the person sitting beside them. This is a great way to introduce students to different genres.
- Each time your class reads a story ask them to refer to the poster and identify what genre the story fits into.
- **Homework project:**  
Ask your students to write a story based on one of the genres featured on the poster.
