Class: _____

Every year many species of animals become extinct and lots of others become what is known as 'endangered'—this means that they are in danger of becoming extinct.

Identify three animals that are on the endangered species list in Australia. (They can be animals, birds or sea creatures—ask your teacher for help).

1. _____

2. _____

3. _____

In *Sage's Ark* the Tasmanian tiger or thylacine becomes extinct. Draw your own picture of a Tassie tiger below.
