

Name: _____

Class: _____

Wandjinas

The Wandjinas are huge spirit beings that were painted on cave walls in the Kimberley region. They are very powerful spirits that control lightning, floods and cyclones.

According to traditional stories the Wandjina painted portraits of themselves on cave walls and rock shelters. When they died the Aboriginal people of the Kimberley took over the responsibility for painting and preserving the Wandjina paintings.

Draw a portrait of yourself using the Wandjina style of painting.
