

Maddy in the Middle

Write three interesting pieces of information about Ian Bone, the author, and Mitch Vane, the illustrator.

Chapter 1

In Maddy's family, list the children from oldest to youngest. Now list the children in your family from oldest to youngest.

Chapter 2

Add **every** to the words below to make new words.

one thing
where body

Do the same thing with **some** and **any**.

Chapter 3

Write down ten words from Chapter 3 that start with capital letters. Can you write them again in alphabetical order?

Chapters 4 and 5

Finish these sentences.

1. They took Silky to the vet because
2. The vet said
3. The children argued over

Chapter 6

Maddy is caring for Silky. If you are not feeling well, what do you like people to do for you?

Chapter 7

Why do you think Silky keeps falling asleep when Maddy is with him?

Chapters 8 and 9

Do you think it was a good idea to take the cat to school? List three good things and three not-so-good things about having a cat in the classroom. What else could Maddy have done?

Chapter 10

Think of all the things Maddy did to be a friend to Silky. The other children were too busy to be a friend. Think of the things you do to be a friend. It might be to your pet or it might be to a special person.

Something Special

Do a survey in your class to see how many children have pets and what they do for their pets.
